

ESA Rangeland Ecology Section Members,

You are invited to attend several activities associated with this year's meeting of the Rangeland Ecology Section at the ESA mtg in San Jose.

Business meeting and social

Wednesday, August 8, 2007: 6:30 PM-8:00 PM

Almaden, San Jose Marriott

ESA Agroecology, Applied Ecology, Long-Term Studies, and Rangeland Sections Mixer

FREE FOOD and cash bar followed by a short business mtg (separate for each section)

Agenda items for the business mtg include:

1. Initiation of new vice-chair and start of new chair's term (Lance Vermeire)
2. Planning for the 2008 mtg
 - selection of student awards committee members
 - discussion of auction to fund student awards
 - discussion of proposals for symposium sponsored by our section
 - other topics and activities

Organized Oral Session sponsored by the Rangeland Ecology Section

Thursday, August 9, 2007: 1:30 PM-5:00 PM

A4&5, San Jose McEnery Convention Center

OOS 40 - Biofuels from rangelands: Boon or bane?

Co-organizers:Linda L. Wallace, University of Oklahoma

Jim Ansley, Texas Agricultural Experiment Station

Let me know if you have additional agenda items. Also, if you have an idea for a symposium to be sponsored by our section for next year's mtg, then email me that information prior to this Friday, Aug 3. We'll discuss these ideas at our business mtg.

Deb
