Project Summaries

A: Marketing Activities:

The University Center continues its technical assistance to agencies interested in marketing and promoting economic development in the state of Nevada. The University Center developed procedures to review and mail to interested populace products developed by the University Center. These products are fact sheets, technical reports and journal articles. Three technical reports were published, one Cooperative Extension fact sheet was under review, one journal article was published and three are under review, and two book chapters were published during the fourth quarter, fiscal year 2008/2009 by the University Center. Three workshops were offered by the University Center to present economic data and results of a past projects.

The University Center currently maintains a Web page. The address is <http://www.ag.unr.edu\uced>. From this Web page, a person is able to access and download past University Center technical reports, University of Nevada Cooperative Extension fact sheets relating to University Center projects, Regional Economic Information System data developed by the U.S. Bureau of Economic Analysis for the state of Nevada and its seventeen counties, and selected historical and current economic data from various state agencies. Data may be defined for download using a web form and are available in a choice of download formats. Links to other key sites can also be found. The site is constantly being updated with reports and new data sets. University Center technical bulletins for 1992 up to the current date are available to download in Adobe PDF format.
